

Athletics provide the opportunity to learn discipline, develop leadership, and build a strong work ethic. Student athletes acquire valuable life skills like compromise, collaboration and teamwork. Their experiences foster values which ultimately serve our greater community.

The founders of our school recognized the importance of encouraging participation in athletics. They formed the Regis Athletic Association (RAA) in order to allow every student the opportunity to participate in athletics without the burden of extra costs.

The RAA leads various fundraising efforts throughout the year, including: the Ram Open, concessions/gate receipts at home sporting events, the alumni basketball tournament and the coordination of sponsorships. All fundraising proceeds are applied towards covering the costs of our athletic programs (i.e. uniforms, equipment, transportation, and officials).

Our efforts are the result of the dedication and hard work of our members, parents, teachers, coaches, alumni, and student athletes. We are also blessed with the generous support of our community members, who continue to invest in our future by supporting these programs.

I am asking you to be a part of our team. Your involvement is so important to our mission, and we appreciate your time and consideration of the enclosed sponsorship opportunities. Each sponsorship level offers multiple advertising benefits, and we look forward to partnering with you in those efforts.

If you have any questions, please contact us at [RegisAthleticAssociation@gmail.com](mailto:RegisAthleticAssociation@gmail.com). We hope to see you in the stands this upcoming year. GO RAMS!

Sincerely,

Mandy Shine  
RAA Member  
Regis Class of '99
