We are committed to providing equal employment opportunities for all persons without discrimination based on race, color, sex, national origin, age, disabilities, veteran status, or on-the-job injuries. As a religious organization, however, the Archdiocese is not subject to various anti-discrimination laws based on religion or religious belief and may make hiring and other employment decisions based on religious belief or practice.

The overriding mission of a Catholic school is to develop and maintain a Roman Catholic faith community, and to offer a quality education that meets the needs of students and applicable educational standards. Athletics are a part of a student's education and the school environment is intended to reflect the doctrines, laws, norms, and values of the Roman Catholic Church and a philosophy of educational athletics that fosters Catholic values for the entire school community.

In recognition of this unique commission, ***all school personnel*** – administrators, teachers, and staff – are called to be role models of the Gospel of Jesus Christ to share in the teaching ministry of the Catholic Church by modeling Christian values and living an exemplary life, both in and out of school. You will be expected to maintain by your words, actions and lifestyle a position that is in conformity with the teaching, standards, doctrines, laws, and norms of the Roman Catholic Church as interpreted by the Archbishop of Portland in Oregon, in his sole discretion.
