## 2026-2027 School Registration Form – For Use by “Out-of-Parish” Families

The Archdiocese of Portland’s **K-8 Elementary School Financial Operation Plan (2007 Revision)** and **Forming Missionary Disciples: A Strategic Plan for Catholic School Education (January 2018)** states that parishes without elementary schools will assist in financially supporting Catholic education in the Archdiocese of Portland. Currently, the amount of support given by parishes without schools is based on the number of qualifying Catholic K-8 students enrolled in Archdiocesan elementary schools. (Pre-K students are not eligible.) The amount per student is determined by the Office for the Mission of Catholic Education and will be billed to the Parishes by the School the student is attending after school begins in Fall 2026.

A qualifying **K-8** Catholic student is determined as follows, per discretion of the student’s Parish Pastor:

1. The family must be registered in the Parish, be involved, and attend church in the Parish; AND
2. The family must give regular, identifiable financial support to the Parish (e.g., through use of Parish contribution envelopes, checks, or electronic giving, and no exact amount required); AND
3. Parishes may not add additional requirements.

This form is intended to encourage Pastors and families to meet and discuss how the family is, or can become, a qualifying Catholic family. Qualifying “Out-of-Parish” Catholic families should receive the same school tuition rates as “In-Parish” Catholic families.

As part of the School registration process, this form must be completed by a parent/guardian, *signed by a parent/guardian, signed by their Parish Pastor*, and returned to the school office. Families and Pastors should each keep a copy for their records.

*\* The Pastor agrees the Parish will pay support of \$1,200 to the School for each qualifying K-8 student, as billed by the School to the Parish. If the Parish cannot afford to pay the full amount of \$1,200 per student, then the Pastor should discuss with the School as soon as possible. The goal is for the Parish and School to agree on the amount prior to budgets being finalized for the 2026-2027 fiscal year.*
